CITY OF SUMNER REQUEST FOR QUALIFICATIONS FOR PROFESSIONAL SERVICES
CIP 20-07 RIVERGROVE COMMUNITY PEDESTRIAN BRIDGE OVER SR410

The City of Sumner solicits interest from consulting firms with expertise in providing civil and structural engineering professional services in the areas of design, architecture, right-of-way acquisition, engineering and construction management. Services are anticipated to commence in the third quarter of 2020 and extend for approximately four (4) years with the option for the City of Sumner to extend it for additional time and money if necessary.

The City of Sumner reserves the right to amend terms of this “Request for Qualifications” (RFQ) to circulate various addenda, or to withdraw the RFQ at any time, regardless of how much time and effort consultants have spent on their responses. The City of Sumner reserves the right to retain the services of responsive firm(s) for subsequent phases associated with this project. Prospective consultants will be held to Federal EEO requirements for federally funded projects and to the ADA and Civil Rights language adopted by the City of Sumner.

Project Description
The City of Sumner has secured grant funding for the design of a bridge across SR 410 suitable for non-motorized use in the vicinity of the Rivergrove neighborhood and the south end of Sumner Ave. The project involves structural bridge design of the pedestrian bridge over SR 410 and civil design of trail connections at either end of the bridge to existing sidewalk infrastructure. Utility design and coordination may be needed. The construction of bridge piers and abutments needed to support the bridge may require construction phasing/traffic control coordination within WSDOT right-of-way.

The City of Sumner reserves the right to retain the services of responsive firms for any subsequent phase or project associated with the work described in this solicitation.
